COVID 19 restrictions have led us to make the decision on electronic voting, which has been envisioned in NAV Constitution 2016 on clause 23.4 – ‘any other contemporary valid methods of election.’

Please note that the election commission will facilitate electronic voting, the details of which will be made available to the members in the days to come. The voting for the contested positions will occur electronically, where the voters will receive an e-voting link in the emails they submitted while filling up their membership form. Please be advised that the members’ ability to vote electronically depends on their access to the email supplied to NAV during the membership process. Hence the onus lies on an individual member to ensure they provided the correct email address to NAV.

The application for candidacy must be complete and signed. The application should be submitted using online form or sent to the Commission by the due date to the Commission's email address which is navelection22@nav.org.au

If you need any information about the election process and candidacy, you may request the Commission via email to navelection22@nav.org.au and the Commission will inform you of the relevant details and may provide you reasonable assistance.
